EDUCATION

Santipur Municipal High School Degree in Secondary examination Percentage: 94%	Santipur, Nadia 2014 - 2019
Santipur Municipal High school Physics, Chemistry, Mathemtics Higher Secondary examination Percentage: 89%	Santipur, Nadia 2019 - 2021
Government College of Engineering And Ceramic Technology, Kolkata Computer Science Bachelors Degree CGPA: 9.00	Kolkata, Westbengal 2021 - 2025

SKILLS

Programming Languages:	C++, python, java
Libraries/Frameworks:	Tensorflow, keras, flask
Tools / Platforms:	Object Oriented Programming, Database Management using SQL, ML, AI(basics of neural network), problem solving, data analysis using SQL and python(basic knowledge), .basic knowledge of database, Relational algebra and tuple calculus.

PROJECTS / OPEN-SOURCE

Worked on a Game Development project Link Worked on a Game Development project(in pygame)A simple game in python, this requires mathematics skills and advanced python skills.	<i>Pygame module,</i>
Voice-assistant- Link you can give this assistant a command, and it will work uses advance python, OS libraries and other python frameworks.	<i>Python</i>
medischolar Link this is a health app that uses data of teacher and student in medical Sciences gives a platform to the teachers and supports health issues by providing a healthbot and a voice assistant. i was worked on flask framework, generative ai in Chatbot and voice assistant.	<i>python, flask, generative AI</i>
Chatbot Link A simple Chatgpt like chatbot with google generative ai with google palm api key, a basic level of html css used in it.	<i>HTML, Python, google palm api key</i>

CERTIFICATIONS

- Immediate Machine Learning in Kaggle - Kaggle.
- intro into Deep learning - kaggle.

HONORS & AWARDS

1.5 star in C++ hacker rank (C++ golden batch)
2.3 star in SQL database hacker rank
3.4 star in problem solving hacker rank
AIR 6k in Codecaze 2023 with College specific rank 1
